curry Favour

My girlfriend and I ordered a curry one evening and decided to take a shower together before it turned up.

She's always hungry for cock, so as soon as we were in the bathroom my mouth was clamped to her nipples and she was playing with my cock like it was the last one on earth.

The bell rang and Angela caught my eye. I could tell by her cheeky look that she was up for some more cock.

I sat at the table while she went to the door, her bathrobe hanging open.

The young chap from the Indian's eyes nearly popped out when he saw her. Then, when she "accidentally" let her robe fall to the ground I

Angela led him to the table. She undid his trousers and a ten inch prick sprang out.

Angela's mouth was around it in a flash. I could tell she was enjoying the length of it by the way she took it deep down in her throat.

The poor guy was in total disbelief, but by the way he was fucking her face, he looked like he was getting over it.

Next, Angela lay him on the table on his back. She climbed on top of him and slid her twat down onto his cock.

Up and down she went, really working her cunt on his prick until he was ready to explode.

Then she got off him and

"SHE CLIMBED ON TOP OF HIM AND SLID HER TWAT DOWN ONTO HIS COCK."

thought he was going to faint.

I asked if he could help her out. He didn't need to be asked twice and bent down to pick up the robe. But Angela grabbed his head and forced it between her legs. In turn, he grabbed an arse cheek in each hand.

I closed the door and

sucked his cock while I started to fuck her juicy wet pussy.

It didn't take him long to get to the point of no return and with a thrust that would have choked an elephant, shot his load into Angela's mouth. His cum dribbled down her chin.

This was too much for me and I shot my load deep into

When the delivery guy took his cock out of her mouth, Angela scooped up the spilt cum and ate it.

When he had gone, Angela and I had to go upstairs and

fuck again.

We ended up having to microwave the curry, but nothing was as hot as Angela that night!

Shit the bed – that's quite a mean looking peacock tattoo, Adreena!
"It's not a peacock, you numpty – it's a fantasy bird based on the Quetzalcoatl of Aztec mythology!"
Ah, right, fair enough. Umm, and while we're on the subject of fantasy birds, we reckon you must be the answer to quite a few blokes' fantasies!
"Well so I've been told! I'd like to think your readers are fantasizing about sliding their stiff prick between my juiced-up cunt lips, for starters!"
It's not just the readers!

Cum All Ye Faithful!

That's right – 'Tis the season to... get another Christmas-themed bongo flick from the guys at Private! Well, there are worse presents, and this one's crammed full of some real cuties getting their seasonal needs taken well and truly care of! Covergirl Violette's one of the highlights – putting on a lesbo show with her pal Daphne before some lucky git with a beard (but not santa) gets to wedge his fat cock up her tight arse and fuck her rigid. Jammy sod must have thought all his Christmases had come at once! And there's loads more bum fun too...

LOVE THY NEIGHBOUR!

Everybody needs good neighbours, right? Well personally I'd rather have a few naughty ones, if the cock-mad knob-jockeys on display in this offering from Score are anything to go by! Tiny-titter Marissa's been busy in the little girls' room, but her fella's not one for niceties, walking in and tucking in to her pert nips before wedging his cock down her throat. Great audio as she slurps away, too, but there are plenty more goodies to come. Worth holding out for is Cosima in the final scene – it seems it's her first ever shoot, and she's a bit excited about it. Well, she certainly wasn't the only one, I can tell you!

I had to write in about Vol 36 No 12 – ever since I got my copy I've been walking round with a full hard on! First there's the gorgeous Sam Bentley (love her!) and then the fabulous Michelle Thorne in all her naked glory. And then, to my delight, the captivatingly sultry Lottie! Even you'll have to admit she's totally fabulous! Just look at the big photo on page 46 – the attractive face, gorgeous breasts with their fantastic pointing nipples set in lovely pink areola circles... and then she's holding open her beautiful velvet pussy! I would love to eat out that velvety cunthal flesh till she came, squirting her cream straight into my hungry mouth!

Rex, Norfolk.

DEAR JULIA

When I was younger I used to think there was something wrong with me for being so interested in bum sex, but thanks to magazines like yours I've realised there are plenty of us out there. As well as the letters in which readers describe fucking their wives up the arse (or watching someone else do it!) there are plenty of pictures that a pure gold dust to an arse fan like me – like the spectacular picture on page 44 of your latest issue, in which the saucy young Lottie is holding her cheeks apart, just daring us not to be driven wild by the sight of her inviting pussy and arse! What I wouldn't give to watch my own fat prick pushing its way into that tight brown hole and fucking it with everything I've got! I must have spunked 10 times over that picture so far, and I haven't finished with it yet!

Stephen, Grimsby.

There are plenty of us who love a bit of bum fun, Stephen, make no mistake about that! And from the looks of things Lottie's definitely one of them – I'd love to give her a good rimming and then do her with one of my strap-on anal toys.

JUG SHOTS!

Starting to have second thoughts about Brexit? Then it might be best you don't watch this one, because the last thing we want is any barriers to trade being put up between us and the spectacular boobage on display throughout! First up is MILFy Fernanda, who frigs herself into a right state until a black stud pitches up to do the job properly. All in all there's more chestage than you could shake a stick at, with Amanda Hot's charlies the pick of the crop for me.

Carolling's a popular pastime at this time of year, but while we all love a good wassail, I think I'd prefer to spend my spare time putting my efforts into Caroline instead! I dare say people still like to hear about those three ships that went sailing by and the shepherds washing their socks, but give me a couple of glasses of mulled wine, a mince pie and Caroline here, and I don't think I'd bother with any of that singing. In fact you wouldn't hear a peep out of me till June.

REAL WIFE SEX

Gail's serving up a lot more than coffee

"His fingers slipped over my bush and he ran them along my swollen pussy lips. I went weak at the knees."

Although I love my husband, he's quite a bit older than me and far too tied up in his business to see to all my needs, so it was probably no surprise that I'd started having a bit of a fling with our gardener Ian, but what I hadn't expected was how things developed between me and Ian after that...

It was Wednesday morning and I was already up and dressed when the doorbell rang. I was wearing a long, baggy, white t-shirt and a white thong to cover my neatly trimmed snatch. I opened the door to Ian and his mate Steve, both wearing combats and t-shirts. Ian said "Hi!" and we exchanged pleasantries. I'd never met Steve before, but he stood behind Ian grinning. It obviously wasn't a secret what had been going on, which suited me fine as I was feeling hornier than ever.

The lads made their

began to flow freely from my pussy. The guys were working up a sweat in the summer sun and I was working myself up stroking my petals. Once I was positively dripping with love juices I figured it was time to see if the boys fancied another drink and headed for the kitchen.

The lads said they did indeed fancy a coffee and I duly obliged. However, when I turned around, coffee in hand, ready to wander out into the garden, my plans had been well and truly rumbled. The two lads were standing in the kitchen with huge grins on their faces. I popped the coffee back on the side and turned to face them. I put my hands on my hips, then hitched my t-shirt up over

way around the back and started work. I made them coffee, then settled down in front of the telly to let them work away and stew in their own imagination.

After about half an hour I decided to make my first move. I crept upstairs and watched the guys from my bedroom window. I started gently rubbing my clit with my index finger and as I tickled my button my juices

my hands to reveal my tiny g-string. "Well, what can I do for you two then?" I enquired and the grins grew even wider. "I couldn't help telling Steve about the last couple of times I've been here," replied Ian. "Sorry."

Like I cared. "Well, well, well," I said. "It seems I'm building something of a reputation." I walked towards them, then brushed past and shut the patio door. Well, what would the neighbours think?

Steve grabbed me as I pushed past, threw his hands around me and rather quickly slipped them into the front of my thong. His fingers slipped over my bush and he ran them along my swollen pussy lips. I went weak at the knees. He turned me around to bend me over the table and I found Ian already sat there with his combats around his ankles. This was fine by me; I'd more than enjoyed having his cock stuffed down my throat the first time. I bent over him and fed his length between my lips. Steve whipped my thong down around my ankles and stuck a couple of fingers straight into my soaking cunt. He finger fucked me roughly, hammering his digits home. I took Ian's prick deeper into my throat, sucking and slurping it, saliva dribbling down his shaft and soaking his balls. I heard Steve unzip his cock and I swooned in anticipation of what was to come.

Steve put his hand on the back on my head, bending me over even

more and stuffing Ian's cock even further down my throat. I felt Steve's helmet rub gently against my pussy lips, then he grabbed my shoulders and drove himself into me all the way to his balls. I screamed in a mixture of surprise and shock. His meat filled me up totally and as he continued to hold my shoulders he gave me the fucking of my life. Ian held my head, ensuring that his cock stayed well and truly stuffed into my mouth. I could already taste his come starting to dribble from his dick and knew he'd soon shoot his load into my belly. But that wasn't good enough for me.

I looked up into Ian's eyes. "Fuck my ass," I said. Ian got off the table and went behind me. I was manoeuvred onto the kitchen floor with Steve underneath me.

He slipped his manhood back into my pussy and Ian nudged his helmet against my ring. Slowly he eased into my arsehole. I gasped with lust and delight as his shaft disappeared into my sphincter. I couldn't have been more full of meat. My cunt dripped with juice and an orgasm rose quickly in me. As Steve bucked his hips up to me and Ian continued to thrust into my ass I shook uncontrollably as a huge orgasm ripped through me. I was screaming with pleasure and riding both the cocks stuffed inside me.

Steve's thrusts got harder and deeper. He held my hips and pushed me down onto his meat. He told Ian he was going to come and Ian said they should both shoot all over me. Both lads withdrew and lay me flat on my back on the floor. Steve knelt at my head with Ian between my legs. I grabbed Steve's cock and shoved it into

my mouth, sucking all my own pussy cream from his length. Ian wanked his cock furiously and gasped before an enormous stream of spunk shot from his bell end and spattered all over my tits and belly. This seemed to spur Steve on and after a few deep thrusts into my mouth he pulled out his prick and fired his jism all over my face and chin. Both cocks spasmed repeatedly and jet after jet of come rained down on me. Several of Steve's spurts shot straight into my mouth while the rest landed on my cheeks, chin and in my hair. Ian's cream covered my tits and belly and coated my bush. I lay there on the floor and rubbed their seed into my skin. I was knackered, fucked senseless and incapable of moving for a minute or two, but I was more than satisfied with the seeing-to I'd just had from my own two personal gardening studs.

The coffees had gone cold by then, but the lads didn't seem to mind all that much! And nor did I!

Wel-cum Home!

One day, I came home from work and found my girlfriend in the bedroom, turning herself on with her fingers.

She was tweaking her nipples and rubbing her pink pussy and when she saw me, she told me to sit down and watch.

I did as she said and sat at the end of the bed, turning her on even more.

Emma grabbed my stiff meat and began sucking and licking my cock from tip to balls as I finger-fucked her fuckhole.

She started to feed one finger into herself at a time until her hole was filled with her hand.

I stripped off and got my rock hard cock out, wanking as I watched her frig her pussy off.

Emma reached for her favourite vibrator and sucked the end provocatively, before sliding it in and out of her extraordinarily wet pussy.

I couldn't take much more of this and thrust my hard prick in her face.

I pulled my slippery cock out and pressed it against her arse, and Emma wailed as I planted my pole between her legs.

"Ah, you've got me – but how did you guess? Was that cup of tea I served you earlier not quite up to scratch?"

THE PAUL RAYMOND AWARDS

— 2016 WINNERS —

When the champagne corks pop, the fun don't stop! Though we couldn't quite remember exactly, what that fun was the next morning. Dancing nuns? Luckily there were more than enough of us there to stitch together a sketchy picture of the 2016 Paul Raymond Awards.

Back for another dose of raunchy rabble rousing, British Comedian Dapper Laughs and his 2016 co-host Jasmine Jae, fanned the flames of the crowded Café De Paris, with innuendo and playful skulduggery. There were even some awards given out, once Dapper had managed to put Jasmine down, including Miss Jae scooping Female Performer of the Year...again! But who were the other lucky ladies of the night that have been turning your balls into steamed buns for the last 12 months?

The polls were tough going, with Cara Brett reigning victorious

in the Mayfair Girl of the Year category, Amber Jayne taking the Men Only crown, and Stella Cox tottering off with Paul Raymond Girl of the Year for the second time in a row, the saucy mare!

As you can imagine after all the nominees had been announced there was nothing left to do but dance, as DJ Luck and MC Neat, GIGGS and DJ Ironik got us tipsily busting moves that would shock our grandparents. Though, VIP-guests Tinchy Stryder, Big Narstie and Lethal Bizzle, kept their cool and their dignity, which is more than can be said for us.

Well 2016 turned out to be quite a cataclysmic year for the United Kingdom, didn't it? I mean what with the BBC losing the Bake Off and Brexit (in that order, if media coverage was anything to go by) the nation's been shaken to the core! So we thought we'd finish the year with a reminder of something us Brits do best. No, not rock music — sexy girls getting their bits out in mags! Have a great 2017!

Nailing Haley

I had quite a night the other night and it all started when I went out on my stag night with a group of about eight pals.

We were all very wankered and loud by the end of the evening, and no taxi drivers were prepared to pick us up, so I called my fiancée and got her to bring the car.

Haley was not impressed at being woken up at four in the morning but came all the same and drove me and three of my mates back to ours.

The moment we got in, we started drinking all over again and the lads started going through my porn collection while I sorted us out some beers.

My fiancée had gone to bed but only managed to stay up there for ten minutes as we were making so much noise.

She came down to tell us to turn the TV down and lads being lads, my mates started all telling her how fit she

looked in her nightie.

She told them to stop being so silly, but one of the boys told her she

agreed to she told them to prove it and get their knobs out for her to see.

The guys didn't hesitate and a moment later the room was filled with hard

cock.

Haley looked around and examined each in turn, then she dropped to her knees in front of me and took my prick into her

"I BEGAN SHOOTING STRAIGHT AWAY AND PLASTERED HER NIGHTIE WHITE WITH SPUNK..."

was giving him more of a horn than the porn.

mouth.

Well, I never last long when she gives me a blowjob and she sucked me like a hoover for several seconds before stroking all ten long painted nails over my balls.

I began shooting straight away and plastered her nightie white with spunk before falling into the chair.

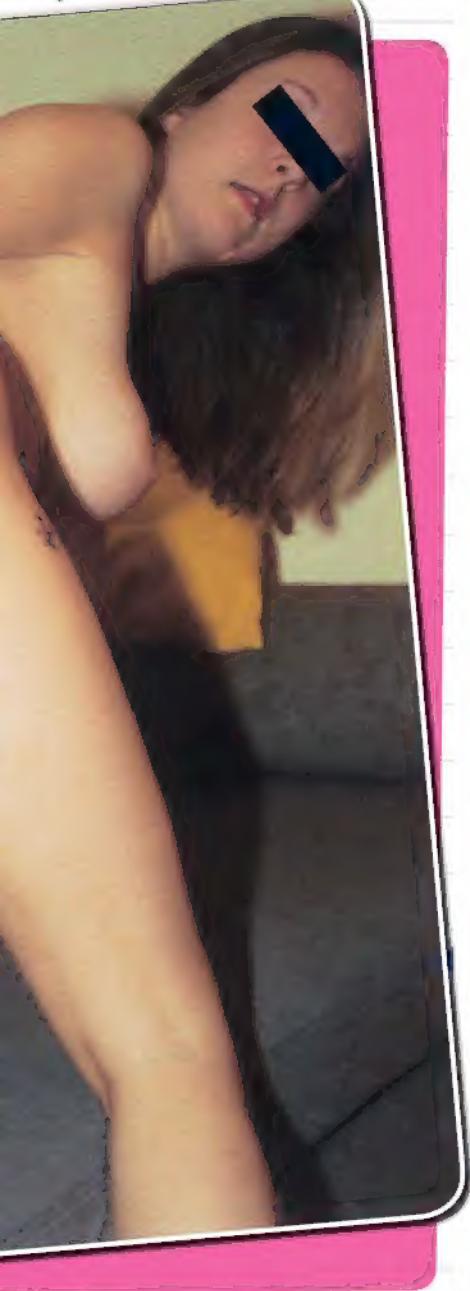

Haley turned to the boys and asked who was next, then proceeded to suck each in turn.

She took the first into her mouth as I fingered her, and the others fished out her tits and started sucking on her nipples.

The guys all switched places and one of my mates started to fuck her.

It was weirdly arousing, watching my girlfriend getting fucked by another bloke and before the night was out, all four of us had

her on her back and fucked the life out of her.

Haley sucked each of them and swallowed more than one load.

She was having a whale of a time and orgasmed every few minutes as one of other of us fucked her from some angle.

Just when I thought it was all winding down, there was a knock at the door and I found my four mates from earlier on standing there.

I thought they'd gone home and they said they had but then one of the boys had phoned them all up to say were having a gangbang and the next thing I knew my bird was getting it from eight hard cocks.

She's always had a big appetite for sex, which I some times find hard to satisfy, but she was well and truly taken care of that night. We're planning on something similar for next month, though Haley reckons she has one of two girlfriends who'd be interested in attending too. I'll keep you posted.

Kevin, Hants.
